Activities:

- **Canoe Trekking** Enjoy the morning or evening breeze of the fresh water of lake Mutanda with magnificent view of the volcanoes, beautiful sun rise and or sunset with natural melodies of birds. It is still enjoyable during day hours too!
- **Historical islands visit** This cruise gives you back history of the ancient usage of the islands as you enjoy the beauty of the lake, volcanoes and birds. Now that what used to be at the place is history, you may need to take a cold drink from the changed island
- **Coffee Tour** You will enjoy a local hike to a local organic coffee farm, where you will experience all coffee stages from nursery bed to the cup! Want go to the cup tasting? Here we go!
- **Local Heights** Wishes to prepare for a volcano hike or enjoying magnificent view of the volcanic chain of the Virunga massif of Uganda through Congo and Rwanda? Here is an ideal time and place for it.
- **Swimming** Here you may need to enjoy swimming in fresh water of one of the lava dammed lakes in the area, where you may need to share your swimming techniques to children from a neighboring school.
- **Handcrafts experience** You want to encourage sustainable use of natural environment? Join the Mutanda Community Cultural Group in making handcrafts using local harvested materials and support them earn a supplement to their agricultural products.
- **Local School visit** Would you wish to share your sports talents, teaching techniques or compare a typical Kisoro village school class setting to that from your area? Let our staff organize a visit for you with the neighboring school(s)
- **Cultural experience** Uganda and Kisoro in particular is rich with cultural diversity. Please talk to our staff guide and you will get those of your choice to experience.
